

Department/school format approval for thesis/dissertation

Students from programs that have elected dual format approval must submit this signed cover sheet with their thesis/dissertation in order to qualify for the university format check at the Graduate School. (This form is not required of students from single-approval programs.)

Name of student _____

E-mail _____

Title of thesis/dissertation _____

Director of thesis/dissertation _____

E-mail _____

Name of Department/School _____

On the dual-approval form it filed with the Graduate School, our department/school designated me as its format authority.

This thesis/dissertation meets all of our requirements for style and format, and is ready to go to the Graduate School format examiner, who will review only the university-wide requirements that apply to all theses/dissertations.
