  - ii. Noelle also reviewed the current and proposed change to the master's thesis and doctoral dissertation, Continuous Registration policy. The rationale for the amendment: the continuous enrollment policy is waived once all final deposit materials are submitted, the final approval does not need to be complete as noted in the final sentence.
  - iii. There was discussion regarding the exact wording of the Committee amendment, to avoid confusion.

Tom Hammond moved to bring the changes to the floor for a vote. Jeff Wagman moved to approve the changes to the amendments, Lily Thompson seconded. All approved. The changes will become effective in the 2023-2024 Graduate Catalog.
